Day 1 • Sydney • Dinner

Departs 6:45pm

Considered one of the most cosmopolitan cities in the Southern Hemisphere, Sydney offers so much—from beaches and wineries to stunning landmarks and world-class shopping. Tour architectural marvels like the Sydney Opera House and the Sydney Harbor Bridge, view life below the surface from Sydney Aquarium's underwater walkways, or take it all in from above on a tour of the Sydney Tower. You're never far from nature in this thriving urban center. Well-known surf beaches, zoos, national parks, whale watching tours, bush tours, and the Royal Botanic Gardens—featuring over 7,500 plants—offer visitors a chance to enjoy the area's sunshine, lush greenery, wildlife, and clear blue oceans. Sydney is not only Australia's oldest city, it is also one of the most ethnically diverse cities on the globe, offering a wealth of cuisines, unique museums, and cultural opportunities. Explore lively pubs, shops, and historic buildings at The Rocks, located on Sydney harbor.

Days 2-3 • At Sea • Breakfast, Lunch, Dinner

While at sea, take the time to recharge before the next adventure. Lounge by the pool, be spoiled at the spa, taste the delicacies or explore the venues on-board, until we arrive at the next amazing destination.

Day 4 • Milford Sound/Doubtful Sound/Dusky Sound • Breakfast, Lunch, Dinner

As we sail into the narrow fjords of the Milford Sound, even your massive ship seems to shrink in comparison to the towering cliffs topped by lush mountain terrain. Situated within Fiordland National Park, this natural wonder is part of the Te Wahipounamu World Heritage Site and is protected by its natural geography, which makes it a haven for all types of wildlife.

As cold mountain water cascades from the cliffs above Doubtful Sound, it creates an unusual phenomenon—a dual-layered marine ecosystem of fresh and saltwater. This serves as a playground for a number of species, including fur seals and two types of penguins – the fiordland crested and blue penguin.

Steep cliffs that have been carved over centuries by dozens of waterfalls surround the largest and most complex of the many fjords along the New Zealand coast, Dusky Sound. It's also a wildlife paradise, with seals and dolphins patrolling the water, and birds like broad billed prions, mottled petrels and sooty shearwaters floating on the overhead thermals.

Day 5 • Dunedin • Breakfast, Lunch, Dinner

Docked 9am-6pm

Here in this capital of architectural heritage, you might think your Dunedin cruise had taken you to Edinburgh. The architecture, scenery, and culture—if not the accents—borrow heavily from those in Scotland.

Take a harbor cruise to spot albatrosses, cormorants, and other sea birds. You might even see penguins, dolphins, and seals. In town, stroll the spectacular Dunedin Botanic Garden, discover ancient Maori artifacts in the Otago Museum, or learn all about beer at Speight's Brewery—touring, tasting, and shopping for beer gear.

Browse several engaging art galleries in the central Octagon neighborhood, also known for bars and cafés. Look for experimental exhibitions at Blue Oyster Gallery, bespoke jewelry at Chris Idour, old masters at Dunedin Public Art Gallery, heritage at Reed Gallery, and New Zealand artists at the De Novo and Milford galleries.

Head inland aboard Taieri Gorge Railway, departing from the charming gingerbread Dunedin Railway Station, for a four-hour excursion past former gold-mining sites.

Venture out to Otago Peninsula and visit 19th-century Larnach Castle—New Zealand's only castle—perched on a hill overlooking the harbor. Hear stories of scandal, tragedy, and intrigue—all part of its lavish history. Top off your cruise to Dunedin with Highland dancers and bagpipers at Larnach.

Day 6 • Christchurch • Breakfast, Lunch, Dinner

Docked 8am-8pm

At the center of town is Christchurch Cathedral, a stunning example of Gothic Revival architecture.

Day 7 • Wellington • Breakfast, Lunch, Dinner

Docked 7am-5pm

Wellington claims to be the coolest little capital in the world. See for yourself on your cruise to Wellington. Get an overview of its geological, biological, and cultural history at Te Papa, the national museum of New Zealand, just 10 minutes from CentrePort. The interactive exhibits pique your curiosity through innovative storytelling. Wander along Oriental Bay, the scenic waterfront that is highly walkable—and jog-able, skate-able, bike-able—and dotted with cafés, bars, and ice cream vendors. Hike up through a large central park to Mount Victoria for 360-degree photo opps of the city, airport, and harbor—including your Wellington cruise. At Wellington Zoo, a 10-minute drive south, you can play with meerkats, hand feed a giraffe, and stroke a cheetah. The zoo has 100 species of animals. Blocks west of the port, ride the iconic cable car up to beautiful Wellington Botanic Garden, with a cable car museum, observatory, and planetarium. Catch a shuttle out to the Zealandia ecosanctuary, a project to restore 556 acres of bush, where you can hike to the singing of native birds. On Miramar Peninsula, film fans off a Wellington cruise make their journey to Middle Earth—and beyond—to learn secrets of great film making. Weta Workshop is the design and effects facility behind big movies like Blade Runner 2049, Thor: Ragnarok, Power Rangers, Man of Steel, and several Hobbit properties. To taste your way through Wellington, start on Cuba Street, home to hipsters, artists, and lovers of all things vintage. Amid the city's creative craft beer scene, the street has colorful shops and street performers, as well as bohemian bars and cafés. For food and drink, look for Husk, café by day, beer bar by night; Olive, with big breakfasts, excellent waffles, and mimosas; Laundry, when you feel like a classic burger or tacos; Floriditas, famous for eggs and scones; and Midnight Espresso, the quirky place for coffee, snacks, and people watching.

Day 8 • Napier • Breakfast, Lunch, Dinner

Docked 7am-3:30pm

Discover Art Deco architecture, an alluring seaside town, and some of Hawke's Bay's finest wineries. Napier's devastating 1931 earthquake resulted in a magnificent rebuilding effort that makes the city home to the greatest density of Art Deco buildings in the world. Stroll along Napier's lovely streets and admire the architecture characterized by bold symmetrical shapes, linearity balanced by gentle curves, and sometimes intricate ornamentation. Visit lovely cafés, restaurants, and shops as you explore Napier's seaside sights. Enjoy a beer, or fish and chips. Take a traditional tea break and sample a Pavlova, a New Zealand dessert of meringue and fresh fruit. Journey outside the city to explore some of New Zealand's most spectacular wine vintages in Hawke's Bay. Tour the wineries and enjoy exclusive wine tastings. Bird watchers and eco-tourists can visit Cape Kidnappers to admire the world's largest gannet nesting site. Explore sheep farms, lush coastal scenery, mountain top lookouts, or just sit back and relax at a café in Napier, taking in the ambiance of another era.

Day 9 • Tauranga • Breakfast, Lunch, Dinner
